

Home Page

The screenshot displays the SQL Server Reporting Services (SSRS) 2008 R2 Report Manager interface. The browser window is titled 'Home - Report Manager - Windows Internet Explorer' and shows the URL 'http://localhost/Reports/Pages/Folder.aspx?ViewMode=Detail'. The page header includes navigation links: 'Home | My Subscriptions | Site Settings | Help'. The main content area is titled 'SQL Server Reporting Services Home' and features a search bar. Below the header, there is a toolbar with actions: 'Delete', 'Move', 'New Folder', 'New Data Source', 'Report Builder', 'Folder Settings', 'Upload File', and 'Tile View'. A table lists the reports and folders:

| Type | Name | Description | Last Run | Modified Date | Modified By |
|--------|-----------------------------------|-------------|----------|-------------------|------------------------|
| Folder | Data Sources | | | 3/30/2010 7:33 PM | POSEIDON\Administrator |
| Folder | HR Reports | | | 3/30/2010 7:33 PM | POSEIDON\Administrator |
| Folder | Sales Reports | | | 3/30/2010 7:33 PM | POSEIDON\Administrator |
| Report | Salesperson Sales KPI - Indicator | | | 3/30/2010 7:34 PM | POSEIDON\Administrator |

A context menu is open for the 'Salesperson Sales KPI - Indicator' report, showing the following options:

- Move
- Delete
- Edit in Report Builder
- Subscribe...
- Create Linked Report...
- View Report History
- Security
- Manage
- Download...

The status bar at the bottom indicates 'Local intranet | Protected Mode: Off' and '100%' zoom.

Report Contextual Dropdown

The screenshot displays the SQL Server Reporting Services (SSRS) Report Manager interface. At the top, a blue header bar contains the text "Home". Below this, a yellow banner displays "SQL Server Reporting Services" and "Sales Reports" with a folder icon. A navigation bar below the banner includes links: "New Folder", "New Data Source", "Report Builder", "Folder Settings", and "Upload File". The main content area shows a folder named "Salesperson Sales Trend - Sparkline" with a yellow dropdown arrow. The dropdown menu is open, showing the following options: "Move", "Delete", "Edit in Report Builder", "Subscribe...", "Create Linked Report...", "View Report History", "Security", "Manage", and "Download...".
